## Weird Story From Burmah.

A story comes from Burmah of a 6year-old Burmese boy in the Pegu district who is believed by the simple villagers around him to be the reincarnation of the late Mr. A. H. Tucker, district superintendent of police, who was killed by Dacoits in 1894. The child has been taken to various places where Mr. Tucker was stationed, and the Burmese declare that he remembers all the incidents of his previous existence. At the place of the murder he trembled and gave particulars of the deed, they say, and nothing will persuade them that the spirit of the late Mr. Tucker has not returned to earth in the shape of the boy. Such reincarnation is generally believed in Burmah, and numerous alleged examples of it are on record. The reincarnated ones are called "win-zas,"

## LIST OF EVENTS FOR REGATTA DAY

The committee to arrange for Regatta Day events met at the residence of Mr. Merle Johnson last night. Mr W. C. Parke and Mr. Merle Johnson represented the Hawaiian Rowing Association and Mr. Allan Dunn the Hawaii Yacht Club. A program of fifteen events was made out, which is two less than last year. The second-class yacht race and the intermediate rowing race are to be omitted this year, otherwise the list of events is the same as on last Regatta Day.

For the judges' stand, one of the inter-island steamers will probably be chartered. Judges and other officials are to be appointed at a later date. A committee to collect funds as usual will make the rounds in the near future among the business people. Lovers of aquatic sports are assured of some good races.

The program is as follows: First race, six-oared gig; second six-oared barge, senior; third, fourth-class yachts; fourth, third-class yachts; fifth, first-class yachts; sixth, Japanese fishing boats, tug-of-war; seventh, sixoared barge, junior; eighth, six-oared barge, freshman; ninth, Japanese boats, sculling; tenth, five-oared whaleboats; eleventh, six-paddle canoes; twelfth, pair-oar German boats; thirteenth, steamer boats: fourteenth, sailing canoes; fifteenth, two-oar short
